Safety Matters

Hiring a Finishing Chicago contractor, you'll have the confidence they are insured, licensed, bonded — and most importantly — **safety trained**. Our contractors' strict adherence to safety standards reduces liability, increases worker productivity and lowers expense modification rates (MOD rates). We offer **the most rigorous safety training programs** for apprentices and continuing education for journeypersons, including:

- OSHA 10 and 30
- Aerial Work Platform
- Confined Space
- Ladders & Scaffold
- First Aid / CPR
- Drug-Free Workplace
